

Dear new MEC'er,

The AKT Camp committee cordially invites you to take part in an adventurous introduction camp which will be from Friday September 7th until September 9th specially for the new first year students of Media and Culture! And the best of all: It is not a ragging and without obligations. In the first week of scholastic year you will get to know the study and the city of Utrecht, but at the introduction camp you will get the chance to meet your fellow students in a fun way!

During the camp we will make a journey through time and discover all kinds of striking periods from the past. Are you able to repair the time machine and get the world back as it should be? Take part in a search to all parts of the time machine and save the world to claim eternal fame.

On Friday afternoon you will travel by train to an unknown location. At the beginning of the camp we will form groups in which you will compete for the main prize of the weekend. Before your busy student life really starts, we will enjoy your carefree childhood one last time at the Back to Childhood party on Friday evening. The party at Saturday night will have an American High School theme. So make sure that you have suitable outfits for both parties (think of your idol or your favorite TV character from your childhood, and transform the second evening into a real cheerleader, nerd or other typical High School figure). On Sunday morning we will pack our bags and travel back to Utrecht.

What will you get during this amazing weekend?

- Meals and snacks throughout the entire weekend
- A place to sleep
- Unlimited lemonade
- Beer, wine and soft drinks for a bargain price
- Fun activities
- Relaxation possibilities
- A unique introduction to your fellow students, study association AKT and the study Media and Culture
- A lot of fun!

As you might have noticed, you have to pay for the beer, wine and soft drink. Make sure you take cash with you, since the camp location is not located near a cash machine.

For AKT members the camp will cost only 30 euros. For people who choose to not become an AKT member, the camp costs 40 euros. Keep in mind that the camp has room for a maximum number of participants. So make sure that if you want to join the camp, you register as quickly as possible otherwise you run the risk of coming on a waiting list and that would be a shame. You can register for the camp via the AKT registration form on the website. You can do this right away with your registration for the AKT study association. Go to www.akt-online.nl to register. If you have signed up, we will send you more practical information. So keep an eye on your mail.

Do you want to get to know the other first-year students and senior students of your new study program in a relaxed and pleasant way, and start your first year of study at the University of Utrecht really well? Then sign up quickly for the AKT introduction camp 2018. In any case, we are really looking forward to it and hope to welcome you all on Friday September 7th.

Lots of love, The AKT Camp Committee Tiana, Kevin, Bianca, Muron, Anouk and Pleun
